

Terms and Conditions for the Use of Dimax One

1. Agreement to Terms: By accessing or using the Automated Trading Bot Platform (“Platform, Dimax, Dimax One”), you agree to be bound by these Terms and Conditions. If you do not agree to these Terms, do not use the Platform.
2. Changes to Terms: We may modify these Terms at any time, and such modification will be effective immediately upon posting of the modified Terms. Your continued use of the Platform following the posting of the modified Terms will constitute your acceptance of the modified Terms.
3. Use of the Platform: The Platform provides access to a fully automated trading bot, for which the settings cannot be changed. The trading bot is designed to execute trades based on algorithms and market data analysis. The Platform is intended for use by individuals who have experience in financial markets and are familiar with the risks associated with automated trading.
4. Limitation of Liability: We do not guarantee the accuracy or completeness of the information provided through the Platform, and we shall not be liable for any errors or omissions in such information. The Platform is provided on an “as is” basis, and we make no warranties or representations, either express or implied, as to the accuracy or completeness of the information provided through the Platform. You assume all risk associated with the use of the Platform, including but not limited to the risk of loss of capital.
5. No Investment Advice: The information provided through the Platform is not intended as investment advice and should not be relied upon in making investment decisions. You should consult a financial advisor before making any investment decisions.
6. Third-Party Services: The Platform may be linked to third-party services, including but not limited to exchange, which are not controlled by us. We are not responsible for the content of any linked third-party services and make no representations or warranties with respect to such services.
7. Prohibition of Multiple Accounts: Each user is permitted to create and maintain only one account on the Platform. The creation and use of multiple accounts by a single individual or entity is strictly prohibited. This policy is in place to ensure fairness, transparency, and security for all users on our platform, and avoid referral system abuse. Creating or using multiple accounts may result in immediate suspension or termination of all associated accounts, and will undisputedly be considered referral system abuse if the user with multiple accounts has registered accounts under their own downline. In such cases, any assets, balances, or rewards accumulated across multiple accounts may be frozen and the accounts in question closed.

8. Exceptions and Verification: In certain cases, the Platform may, at its sole discretion, allow an individual or entity to maintain more than one account. Such exceptions will be considered on a case-by-case basis and will require explicit written approval from the Platform. In case of suspected referral system abuse, and to enforce our single account policy, we may require owners of the accounts under investigation to verify their identities and/or email addresses to prove that separate individuals are using the accounts. Failure to complete the verification process may result in account suspension or termination.

9. Termination: We reserve the right to terminate your use of the Platform at any time and for any reason, without notice.

10. Governing Law: These Terms shall be governed by and construed in accordance with the laws of the jurisdiction in which the user is participating in the use of the platform. Users, who reside in countries where services and platforms such as this are forbidden by law, must not register and / or use the platform.

11. Entire Agreement: These Terms constitute the entire agreement between you and Platform with respect to the use of the Platform and supersedes all prior or contemporaneous communications, agreements, and understandings between you and the Platform.

12. Waiver: The failure of either party to enforce any right or provision of these Terms shall not be deemed a waiver of such right or provision.

13. Transaction Safeguards: We reserve the right to delay, cancel, reverse (to the extent possible), or refuse to process any submitted Digital Asset Transaction if: (i) required by law or regulations or in response to a subpoena, court order, or other government order or to enforce transaction limits; (ii) we suspect the transaction involves (or has a high risk of involvement in) money laundering, terrorist financing, fraud, or any other type of financial crime or illegal activity; (iii) we reasonably suspect that the transaction is erroneous; (iv) if we suspect the transaction relates to prohibited use or a prohibited business as set forth in this agreement; or (v) we suspect that you have breached any terms of this agreement. In such instances, we are under no obligation to allow you to reinstate a purchase or sale order at the same price or on the same terms as the delayed, canceled, reversed, or failed transaction.

By using the Platform, you confirm that you are at least 18 years of age, and above the legal age limit as defined by the regulatory body in your country of residence.

By using the Platform, you acknowledge that you have read, understood, and agree to be bound by these Terms and Conditions.
